HARLEQUIN FIESTA

HARLEQUIN FIESTA was developed because we saw a clear need for a floor for dance and drama studios which looked exactly like wood, but without all the associated problems of cleaning and maintenance.

HARLEQUIN FIESTA is for permanent installation, when the joins are welded to provide a continuous performance surface. It can be laid on any hard smooth sub-floor and is an excellent multi-purpose surface for one of our sprung floor systems.

HARLEQUIN FIESTA stands up to the rigors of percussive dance, such as tap and Irish dance, but is great for social dancing and for all kinds of general activities.

Fiesta - Vinyl Floor

HARLEQUIN FIESTA is designed by adding a crystal clear wear coat over an oakstrip pattern design with stable impregnated polyester backing which makes it suitable for permanent installation only.

HARLEQUIN FIESTA is the quick and simple answer in studios where you need a social floor to accommodate the rigors of punishing Irish dance shoes, ballroom and street shoes and tap shoes. Fiesta is not recommended for traditional dance such as ballet which requires a slip-resistant surface. Harlequin has a long line of traditional dance floors as well.
