Portable & Permanent Vinyl Floors

HARLEQUIN SHOWFLOOR

HARLEQUIN SHOWFLOOR rolls out instantly to a breathtaking wet-look finish - a perfect display floor for the entertainment industry.

HARLEQUIN SHOWFLOOR is a multi-layer plain coloured vinyl floorcovering. It is produced in rolls and is mineral fibre reinforced with a cellular backing. This combination provides a beautiful loose-lay or portable lightweight sheet vinyl for display purposes.

HARLEQUIN SHOWFLOOR, because of its intended end use as a decorative portable floor, is for areas of light-medium traffic. It can be laid on any hard, smooth surface e.g. wood, plywood, chipboard, hardboard (Masonite), terrazzo, concrete.

We also supply appropriate adhesive gaffer tapes - single and double-sided.

PORTABLE

2m (78½")
