"The Yorkshire Ballet Seminars had an original Harlequin Reversible floor for 25 years at Ilkley College, but when we moved we thought it was high time for some new floors! So we invested in a roll-out Harlequin Reversible and a heavy-duty Harlequin Cascade.

This year we moved again to York St. John College in the historic city of York. Naturally, it was a 'must' that our Harlequin floorings came with us.

It is so important for dance schools around the country, whenever possible, to have the correct flooring and I can only recommend Harlequin."
