

Harlequin DUO™

The original dance floor.

The history of **Harlequin** starts here with **DUO™** - the very first Harlequin dance floor.

Original in both senses, first and innovative - **Harlequin DUO™** is a slip-resistant, reversible double-sided floor offering the option of two different surface colours.

Harlequin DUO™ has long been considered the classic, reversible performance floor. Made of a double layer of calandered vinyl with a different coloured, slip-resistant surface on each side, **Harlequin DUO™** gives you two floors in one.

Harlequin DUO™ rolls out easily on stage or in the practice studio. Secure joins and edge using single-sided adhesive tape and your stage is set. At the end of the show, simply roll up and store away.

Available in seven colour combinations, the floor is multi-purpose, ultra-lightweight and reversible.

Harlequin DUO™ is intended for loose lay only.
