

Harlequin FIESTA™ The natural-wood look.

Harlequin FIESTA™ provides a realistic oak wood strip patterned surface without the practical drawbacks of natural wood flooring.

Harlequin FIESTA™ provides all the warmth and natural colour of wood. Its clear wear coat makes it extra tough, highly durable and suitable for all kinds of activities.

Harlequin FIESTA™ is perfect for percussive dance like tap or Irish dancing, but also for ballroom dancing or any kind of social or cultural event.

Harlequin FIESTA™ is suitable for permanent installation. Joins can be cold-welded to create a continuous performance surface. Harlequin FIESTA™ can be installed on any smooth flat surface and, combined with one of our sprung dance floors, will provide the perfect multi-purpose surface.
