Harlequin Cleaning & Maintenance

Cleaning products include Floor Dressing, Floor Maintainer and Dressing Remover, all of which are available in 5 litre containers. We also offer a complete cleaning and maintenance Starter Kit containing cleaning fluids, mops and floor tool.

Harlequin Floor Dressing is an acrylic emulsion dressing developed to give a long-lasting and tough protective coating and intended to be used in conjunction with Harlequin Floor Maintainer.

Harlequin Floor Maintainer is a cleaner that leaves behind a protective coating to maintain the floor's appearance for longer periods, increase scuff resistance and help reduce dirt build up. It can also be buffed up to produce a shine.

Harlequin Dressing Remover is a concentrated but efficient cleanser, designed to cut through and break down old emulsion dressing build up, prior to a fresh application of Harlequin Floor Dressing and Harlequin Floor Maintainer.
