

HARLEQUIN - THE SAFEST DANCE FLOORS... ...FOR A GREAT SCHOOL.

“The dance studios at The Arts Educational School, Tring Park, get much use all day with a variety of classes from ballet, tap, jazz and contemporary dance. Many of the studios are in our lovely Rothschild Mansion, so we chose a custom designed colour for ‘Cascade’ floors for the rooms in the Mansion and ‘Studio’ floors for the newer studios and our theatre.

Tring Park has a reputation for excellence in Dance Medicine and safe dance training, so I am particularly pleased that, as a former President of the International Association for Dance Medicine and Science, sponsored by Harlequin, the floors we use everyday are the safest and give the ideal shock absorbency and spring that our students and teachers require. Many great dancers have been trained on these floors!”
