HARLEQUIN HI-SHINE

HARLEQUIN HI-SHINE rolls out instantly to a breathtaking wet-look finish - a perfect display floor for the entertainment industry.

HARLEQUIN HI-SHINE has a special laminated hard polymer ultra-gloss surface, which is superior to urethane for scratch-resistance.

HARLEQUIN HI-SHINE is a roll-out floor for television, commercials, film sets, operas, product launches and fashion catwalks to name just a few. Hi-Shine is also requested for award dinners and celebrity performances which require a quick set-up and breakdown. It is a quick simple (and very economical) answer for photo shoots where you need a smooth, shiny floor which requires speed of installation.
