Portable & Permanent Vinyl Floors

HARLEQUIN REVERSIBLE

HARLEQUIN REVERSIBLE is the classic double-sided stage and performance floor.

HARLEQUIN REVERSIBLE securely established itself years back as the classic double-sided stage floor. It is a calendered vinyl consisting of a complex "sandwich", providing a slip resistant surface on both sides. These special wear-coats are easy to maintain and they are approved by dancers as a loose-lay floor on stage and in the studio.

HARLEQUIN REVERSIBLE is simple to unroll across your stage or dance studio. You just tape the seams and edges - and your floor's ready! When the show's over, quickly roll up your Harlequin and store it or move it to another venue.

HARLEQUIN REVERSIBLE is a different colour on each side, so you can use it either side up. Two floors in one! And because Harlequin Reversible is a full two metres wide, you have fewer joins.
