## Portable & Permanent Vinyl Floors

# HARLEQUIN TEMPO

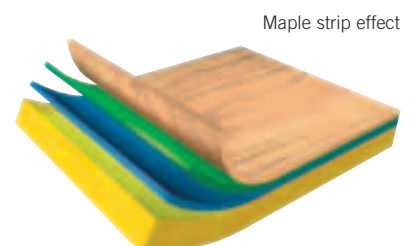

HARLEQUIN TEMPO is a floor particularly suited to the requirements of contemporary or barefoot dance, but also as a multi-purpose performance surface. Thicker than Harlequin Studio, TEMPO provides added protection against hard sub-floors.

HARLEQUIN TEMPO can be loose-laid, but is also perfect as a permanent surface on our sprung floor systems. With its tough wear coat, it resists scuffing and cleans easily.

HARLEQUIN TEMPO is a roll-out dance floor for modern and jazz when slip resistance is not needed. In beautiful plain colours it is made by reinforcing a vinyl dance floor with a tough fibre interply, then backing this with a foam cushioning for resilience. The result is cushioned foam-backing floor over 2mm (1/8") thick.
