Portable & Permanent Vinyl Floors

HARLEQUIN ALLEGRO

HARLEQUIN ALLEGRO was developed when we saw a clear need for a loose-lay dance and aerobics floor to protect against hard subfloors.

HARLEQUIN ALLEGRO is the thickest roll-out dance floor available in the world. In beautiful plain colours, it is made by reinforcing a vinyl dance floor with a tough fibre interply, then backing this with a firm foam cushioning for resilience. The result is an instant "semi-sprung floor" 8.5mm (3/8") thick!

HARLEQUIN ALLEGRO is the quick and simple answer in studios where you want a semi-sprung floor but you don't want the expense. With ALLEGRO there's less disruption, no complicated timber construction. That means no carpenters, nails, screws, springs or pads. Simply choose whether you want it permanently installed, or loose-laid.

PORTABLE PERMANENT 1.5m (59")
