HARLEQUIN ROLL CARTS™

Constructed from black scratch-resistant powder-coated steel, Harlequin Roll Storage Carts are available in two models: a 6 roll standard cart and a 4 roll restricted access cart. Each model is available in 78 3/4" or 59" length to accommodate any of our Harlequin rolls.

The heavy gauge poles which support the rolls of flooring have special end fittings to locate them securely on the cart and a center support to prevent bowing of the rolls. Two handles are supplied with each cart to assist with loading and unloading and, when not in use, these locate on the end panel to help maneuver the cart itself.

All carts are fitted with four heavy-duty swivel castors with brakes and non-marking polyamide wheels.

CUSTOM DESIGNS ARE AVAILABLE. CONTACT US FOR FULL DETAILS.
