## Portable & Permanent Vinyl Floors

# HARLEQUIN TEMPO

HARLEQUIN TEMPO is a floor particularly suited to the requirements of contemporary or barefoot dance. Thicker than Harlequin Studio, TEMPO provides added protection against hard sub-floors.

HARLEQUIN TEMPO can be loose-laid, but is also perfect as a permanent surface on our sprung floor systems. With its tough wear coat, it resists scuffing and cleans easily.

HARLEQUIN TEMPO is a roll-out dance floor for modern and jazz when slip resistance is not needed. In beautiful plain colors it is made by reinforcing a vinyl dance floor with a tough fiber interply, then backing this with a foam cushioning for resilience. The result is cushioned foam-backing floor over 1/8" thick.

PORTABLE PERMANENT 78 1/2" (2m)

### Tempo - Vinyl Floor

HARLEQUIN TEMPO is the quick a simple answer in studios where you need a smooth flowing floor which doesn't require slip resistance of an all-purpose floor. With Tempo there's less disruption, no complicated timber construction. That means no carpenters, nails, screws springs or pads. Simply choose whether you want it permanently installed, or loose-laid.
