# HARLEQUIN CASCADE™

HARLEQUIN CASCADE has delighted a generation of stage managers and professional dancers as the ultimate heavy-duty stage floor, which is ideal for dance.

The surface has a silky smooth emboss which gives deceptively good grip and provides a good base for lighting designers. CASCADE conveys a soft feel, which is described as "warmth", and this gives dancers an unmatched confidence for demanding choreography. It also withstands general stage use, heavy props, and sets etc.

HARLEQUIN CASCADE is painstakingly manufactured to high standards and is specified worldwide for loose-lay and permanent installation in dance studios. For modest minimum quantities we can produce colors of your choice.
