

“It’s not just ABT’s dancers who love Harlequin Floors”

“American Ballet Theatre, America’s National Ballet Company®, is recognized as one of the great dance companies in the world. ABT’s repertoire is unmatched and its artists are world-renowned.

ABT’s name has become synonymous with a standard of excellence in ballet, which audiences have come to expect. Harlequin provides that same standard of excellence in flooring.

Flooring is a major consideration as we support the dancers in their quest for that standard. ABT looks exclusively to Harlequin for all of our flooring needs. When the dancers are comfortable, we all breath a little easier.

From the studio to the stage, everyone performs their best on Harlequin flooring.”
