

## Boston Ballet loves Harlequin Cascade Dance Floor

“Recently, Harlequin installers finished laying our new studio floors and they all look great. As a matter of fact, I saw some dancers pulling pieces of the old Cascade floor out of the dumpster. They had spent so much time and worked so hard on that floor and wanted to keep a souvenir! These were dancers who entered Boston Ballet Center for Dance Education fifteen years ago and have now graduated to internationally recognized, professional dance companies including Boston Ballet. The high quality, durability, and reliability of Harlequin floors deserve a lot of credit for helping to make that happen. This afternoon hundreds of our student dancers will descend upon the studios and assuredly waste no time creating their own memories on the new floor.”
