

“Harlequin’s Hi-Shine™ Wet Look Floor Was a Shining Star of the Catersource 2006 Tradeshow”

“Seeing our custom video performance projected onto a 16 foot sphere all reflecting into Harlequin’s black Hi-Shine floor was a breathtaking sight that captivated the 1600 guests attending the event. I couldn’t have been happier with the results.”

-Timot McGonagle, Producer/Designer

“The floor worked as a beautiful palate in conjunction with the theme of the piece I created for the Catersource Orb performance. One step and one gentle brush upon the iridescent floor made it easy to slip into the tempting nature of the dance.”

Michael Schwandt, Lead Choreographer

“The Harlequin Hi-Shine floor for the Catersource 2006 event was not only durable and easy to dance on, but was yet another element that enhanced the visual appeal of the show.”
