

Jacob's Pillow turns 75!

How could any of this have happened without Harlequin floors?

"As Jacob's Pillow celebrates its 75th anniversary season, I look back at the history of this unique and visionary institution and wonder—how could any of this have happened without a Harlequin floor? We have five Harlequin surfaces now, and each has borne nearly every delight, however punishing, the dance world has to offer. From intricate pointe work and explosive flamenco to productions from all corners of the globe pouring down rice, sand, or water, the floors (like the Pillow) keep on going strong.

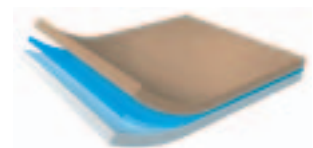

Here's to another 75 years!"
